Manufacturer Certification Statement
Solatube Solar Powered Products

Residential Homeowner Tax Credit

Solatube International, Inc. certifies that the following products, as indicated, qualify for federal energy tax credits:

**Solatube Integrated Solar Daylighting Systems**
160 and 290 Daylighting Systems when integrated with:

- A Solar Electric Nightlight  OR
- A Solar-Powered Daylight Dimmer

**Solar Star® Solar Powered Attic and Garage Fans**

**All models of Solar Operable Skylights**

This statement certifies only that the above referenced Solatube products placed in service from January 1, 2017 through December 31, 2021 qualify.

Under penalties of perjury, I declare that I have examined this Certification Statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

Robert E. Westfall, Jr.
President
Solatube International, Inc.

Disclaimer:
Solatube International is not a tax advisor. Taxpayers claiming a tax credit should consult a tax professional with any questions. Solatube International is not responsible or liable for the taxpayer’s ability to receive tax credits. This document is not intended to constitute legal or tax advice. More comprehensive information will be made available by the IRS.

The user maintains the full and complete responsibility to comply with all codes, laws and regulations applicable to the safe and proper use, handling and installation of the product and should consult with a professional for all construction and design related questions. The information contained herein is believed to be accurate as of the time of preparation. However, Solatube International makes no warranty concerning the accuracy of this information.
